ABOUT THE HUB

Move forward with structure and clarity

Whether you are stepping up, moving on or starting fresh, a career change brings practical tasks and emotional ones. The Career Transition Hub helps with both.

You get structured planning tools for your direction, CV, LinkedIn profile and interviews, alongside confidence, mindset and resilience toolkits for the harder days.

Who it is for

Professionals facing redundancy, a career change or a return to work, and organisations supporting people through outplacement or restructure.

What you will be able to do

01 Use career reflection and values-mapping exercises to clarify your direction

02 Complete a personal SWOT and build a forward-looking career vision plan

03 Apply CV, LinkedIn and interview resources to present yourself well to employers

04 Use confidence, mindset and resilience toolkits to manage the emotional side of career change

05 Apply networking, outreach and visibility templates to build professional connections

INSIDE THE HUB

What the hub covers

Tools for each stage of a career transition, ready to download and use.

01 Career reflection and values mapping
Get clear on what you want next and what is important to you.

02 Personal SWOT
An honest look at your strengths, gaps, opportunities and risks.

03 Vision planning
A forward-looking plan for the career you want to build.

04 CV resources
Templates and guidance to present your experience clearly.

05 LinkedIn
Practical steps to strengthen your profile and presence.

06 Interview preparation
Prepare examples, answers and questions with confidence.

07 Confidence and mindset
Toolkits for the emotional side of change.

08 Resilience
Ways to keep going when the search takes longer than planned.

09 Networking and visibility
Outreach templates and ways to get noticed for the right roles.

The hub also includes many more tools from the Starbuck Academy Learning Library.

WHAT YOU GET

What is included

- Toolkits and resources across nine topic areas
- Pathway lessons, each ending with a short knowledge check
- CV, LinkedIn, interview and networking templates
- Confidence, mindset and resilience toolkits
- A certificate of completion showing 9 estimated learning hours
- 12 months' access to everything in the hub

Knowledge checks and certificate

Each pathway lesson ends with a short knowledge check. The pass mark is 80% and you can retake a knowledge check as many times as you need. When you have completed the hub you can download a certificate of completion showing 9 estimated learning hours.

Who designed it

Designed by ICF credentialed coaches at Starbuck & Associates, led by Paul Starbuck, our Founder and CEO and an ICF Master Certified Coach (MCC). Every lesson draws on our coaching and leadership development work with organisations in the UK, Europe and internationally.

For teams and organisations

Supporting people through restructure or redundancy? The hub can sit inside an outplacement package for your leavers. Email academy@starbuckassociates.com and we will put a proposal together.
